MAY 2014

COMMODORE'S CORNER- DICK JONES

Spring is finally here and the club grounds are really looking great. Tom Jarvis, Scott Discon, Marian Arrowsmith and Bill Schroyer, Cynthia and Larry Schutte, Richard DeNuzio, along with our own Edward Jones have done an outstanding job as we prepare for Opening Day Ceremonies on Saturday May 10th. Opening Day is a proud tradition among yacht clubs throughout the world celebrating the beginning of the sailing season. Fortunately we do not have a shot sailing season. I encourage all members to bring your families and friends and join us as we officially open the club for 2014. Boat owners meet us at M1 as we sail/motor into the harbor for the blessing of the fleet.

Recently we have made a change in the management of the club. Kaia Schindler-Williams has resigned from the board and accepted our offer to return as the club manager. This allows Jamie Monlezun to devote all of her time and efforts towards managing booked events and growing the all important events business. Non member events, parties, wedding, showers, etc. contributes a significant amount of income to the club. Jamie will be spending a good portion of her time meeting with local business and associations discussing the benefits of having their off sight meetings and social events at PYC. We are confident that Jamie will be very successful in increasing the number of non-PYC events. If you work for, or know of, a business or are a member of an association that holds off site events please contact Jamie. And keep in mind that as a PYC member you receive discount pricing on your planned event.

Court Richardson has agreed to join the board and will assume the membership chair. Court has some great ideas on how to increase membership and will be an asset to the board.

In closing I want to thank Ian Prosser and Lloyd Causey for donating two computer lap tops to the club. They are much appreciated and will be well used.

Dick Jones

REAR COMMODORE– TERRI HAMILTON

Things are rolling along in the finance office at PYC. Allison has returned to her bookkeeping position after recuperating from her car wreck. Welcome back Allison! Thanks again Kaia for stepping up in Allison's absence. We continue to analyze our revenues and expenses here at the club and look for ways to keep our club running smoothly. We did have a club software update that had a few glitches which may have been visualized in some of your bills. We apologize if your name and club number were left off of your March bill, but the problem has been remedied. Again I would like to thank everyone for continuing to pay their bills on time. It has been refreshing to make so few phone calls this month.

Things are looking good folks! This past month we were able to scratch a few projects off our list!

The yard fence painting was completed. Thank you Cynthia and Larry SCHUTTE and Richard DeNUNZIO!
The front lawn has been filled and re-sodded to accommodate some dryer income producing events!
You will notice new plantings in some of the flower beds. Thank you Scott DISCON and Rear Commodore Hamilton!

Steel door adoption is progressing! Thank you Jim GATELY for getting the ball rolling. 1 down 6 to go! You other folks better going before we have to pay a professional

The front door has new hardware with a lifetime warranty! I'm still finishing up some modifications before they get a new coat of paint as well.

We have new pool umbrellas! **PLEASE PUT THEM DOWN WHEN YOU ARE FINISHED SO THE DON'T GET DAMAGED BY THE WIND!**

You will notice a BIG Hole in the bar with our frozen drink machine missing. Well it's not really missing but, it is broken down with some sort of refrigeration leak. It's in my shop awaiting some tinkering. Are you a refrigeration expert? I'm not so feel free to give me a hand.

Don't you agree that we have a world class bar and a very talented MIXOLOGIST! Paul would like to make it even better with access to fresh herbs and yes even some vegetables. To this end we are looking for a few green thumbs to operate a PYC garden! Please Contact Paul or myself if you have and interest.

It's good to be back!!! Thanks to all of you for your continued efforts in helping boost our membership. As I have taken my management position back, I gladly hand the membership chair position over to Court Richardson. For those of you who may not have the pleasure of knowing Court, he and his wife Megan have been active members over the years. Their son, Logan, is also an intricate part of the PYC family. I leave the position in good hands and have all of the confidence that Court will continue to lead the club membership in the right direction. Please tune in to our new Northshore radio station 98.9 fm to listen to our cutting edge PYC commercials!!

Kaia

Membership is still around 280 but we have had a great month of membership recruitment. Brent Cueria. Brent is anxious to get back into sailing and willing to crew so when you see him around and need a sailor on board, please extend an invitation. I would also like to welcome John and Rhonda Schell to the club. Megan and I spent some time with John and his family at the Easter egg hunt and they are very nice people. Richard and Linda James will be moving here from Houston in the fall but are joining the club in advance of their move. Dustin and Shawn Porte and their two children also applied in April. We spent time with Dustin and Shawn on Easter as well and enjoyed meeting them and their family. Jeffery and Shannon Villemarette applied recently. They live in Lacombe and from what I understand, they have assisted with the fishing rodeo so some of you may already know them. Thomas (Craig) and Cynthia Toomey. They were members previously and we welcome them back. James and Mary Lee have recently applied and are interested teaching sailing. Thanks to all of the members that sponsored and recommended these applicants! This has been a banner month for new applications and I look forward to a very productive June as well!

I plan to carry on Kaia's Saturday Trailhead Market presence to promote PYC. We only have 30 days left of our membership promotion with the reduced initiation fee. The normal fee of \$750.00 is now \$250.00 until May 31st. And please have interested friends come to the club or contact me.

LEARN TO SAIL!

First four Saturdays in May-, 4- 3 hour lessons for \$300.00 inclusive of a trial 30 day membership. We hope by increasing the interest in sailing we will increase our young adult membership. We are only accepting 8 applicants for the May session so please have anyone interested contact me as soon as possible.

As a reminder, the next membership mixer will be held on Wednesday, June 11th at 6 PM. The "mixer" is held for three reasons:

- Show appreciation to all of you for your continued dedication to PYC
- Welcome new members approved within the last quarter
- Showcase what PYC has to offer to potential members

Kaia's offer from last month "If you bring a potential member to the mixer and they end up joining PYC, you will receive one month reprieve of your membership dues." still stands.

Please take time to get to know our new members. If you see someone new in the club introduce yourself. Let's make everyone feel at home at PYC!

ONE DESIGN- BILL ROSS

Warm weather is here and I have seen more boats heading out for a great sail on the lake. The club is starting to have sailing during the week with Jr. Lipton practice for anyone who is interested on Tuesday and Thursdays around 4:00. All ages under 18 are welcome. We will have a coach on hand to assist anyone who would like to get involved at any skill level.

Also Sunday sailing will begin soon, so look for more info on when and where in the chart and on e-mail lists. We welcome all to come sail, help with shore activities, or just come to the club and see what will be going on this summer. Activities and food will be going on after sailing.

The Inter-Club Capdeville series has begun and I am having a hard time finding people to sail Flying Scots in these events. If you are interested please call me. We have events coming up from now all the way until October.

Some of our members have been traveling up and down the coast in various one design classes with great results, so look for results in the future.

As you may have seen on the e-mail list, the PHRF big boat spring series is coming up. If you are interested in sailing on a boat or helping on race boats contact me or the club. All skill levels are welcome. Contact me or call the club for times of races. Our policy is just show up at the club on race days and we will get you on a boat to match your skill level, but beginners are always welcome.

Thanks for reading your chart.
