

2019 - 5th ANNUAL VETERANS REGATTA

VETERANS REGATTA

PONTCHARTRAIN YACHT CLUB

Four years ago PYC decided to host an event dedicated to showing appreciation to Veterans from our community. It has grown into an annual regatta, so “heads-up” for our 5th Annual Veterans Regatta on September 29, 2019.

All club members are invited. Come and join in from noon to 1730 hrs. We will have an opening ceremony, a fun'd regatta, food, live entertainment, pool will be open, and raffles. Disabled Veterans and their families invited through our participating local veterans organizations, PYC Veterans, and participating boat skippers will receive wrist bands which will entitle them to lunch, jerseys, and participation in the regatta.

Consider it as an opportunity to mingle and chat with those who chose to enter our armed forces, and figuratively also wrote a check made payable to the United States of America for up to and including their life.

So far, each year, the Club has been able to exceed the cost of presenting this event and any overage is shared back to the participating Veterans organizations. Many of our members and local businesses are sponsors, and anyone wishing to help support the regatta can contact Kaia or me. We do need boats to participate in the race. 1st place will receive a free lift and pressure wash from Pontchartrain Yacht Works.
