

From The Commodore – July 2013

My Caribbean adventure is over for this year and it's time to enjoy Lake Pontchartrain and our PYC camaraderie. It's all about summer fun for the young and old. Summer sailing camp is well under way with 40 of our future boaters enjoying the first two sessions. Meanwhile, us "older kids" have enjoyed the first 2 Sunday's of our small boat series. There has been a good turnout with an exciting mix of boats and skill levels to keep things exciting. Beautiful weather has afforded us the opportunity to get plenty of racing in and some time to tell stories after. There are 3 Sunday's upcoming in July so come join the fun and get some time on the water and enjoy some post racing refreshments!

I'm sure there is no need to remind you that hurricane season is upon us. I urge you to please call in all of your favors from above so that we are spared this year! Also this month will bring our semi-annual meeting with our famous grill night and later in the month, take 2 of the hugely successful White Summer Night Event to benefit Safe Harbor and highlighting our area artists and your club.. Mark your calendar so you don't miss these events.

This month will also mark the start of weekly practices by our juniors on their quest to win the Jr. Lipton regatta. Congratulations on your commitment to practicing and we wish you luck.

Summer is flying by and August is just around the corner and school will be starting. Take advantage of your club and all it has to offer bring your family for a day at the pool or play some yard games, grill or just hang out and enjoy some down time before the racing starts again!

*Did you know that the Saturday night "where ya at" drawing has topped \$380? WHERE YA AT? Someone needs to show up and win this thing!*

I hope you are enjoying the summer and look forward to seeing you at the club.

Tom Jarvis

**From the Rear Commodore,**

The Club has started the summer activities on a solid financial foot by finishing the first 5 months of this year with a profit. In addition, we have been continuing to maintain/fix/repair our facility and floating assets in a number of ways. Please attend our semi-annual meeting for a full review of our mid-year financials as well as a discussion of potential future capital projects.

As always, thanks to all of you that have contributed in one way or another. I know that there are many silent supporter/volunteers and we appreciate every one of you. Let's have a great July!

Enjoy the Club and if you have ideas on how we can improve things for our members, please let us know.

Best Wishes, Gary

### MEMBERSHIP ARTICLE – July Chart

Four new applicants were approved by the board for membership. Please welcome the following:

David Bolyard Jr. and his wife Stephanie are no strangers to PYC having spent their childhoods sailing and hanging out at the pool. David is an avid sailor and participates in all the major racing events at the club and within the GYA. David and Stephanie were married in April and are currently remodeling a home on Monroe St.

Katherine Greiner lives in Old Mandeville with her two children Luke (5) and Leah (10). Katherine owns her own business, Benchley Shoes & Accessories. She is interested in volunteering for social activities and working with the junior program.

Dan Morkry is a physician at Lakeside Hospital. Dan, his wife Juliee and their two children Cole (13) and Dell (10) are residents of Mandeville. Cole and Dell are participating in our summer sailing camp. Dan does not own a boat but is very interested in sailing and racing.

Jack Genova lives in Covington and has joined us as a Junior Member. Jack owns a Laser and is interested in racing. His volunteering interests are with Social Events, Race/Regattas, House & Grounds and our Junior Program.

For the first six months of this year we have added 17 new members. Special thanks to all who have sponsored a new member.

For those of you that are not aware, we have embarked on high tech advertising of late. Our internet marketing efforts with NOLA.com is a success. In the past three months we have had 67,855 clicks on our web site for information on sail camp, adult sailing lessons, membership and club rental for events.

As a means of explanation, here is some background on the reasoning behind the bylaw changes to senior membership requirements. Membership dues are the major source of our income and as members grow older and apply for senior member status the club loses 50% of their monthly dues. And as you look around the club it is apparent that we have an ageing membership and that a change in our requirements for senior status was necessary. It became very obvious that we needed to make a change to avoid future financial challenges. As the membership chair I contacted a number of GYA clubs on the Gulf Coast to ask about their requirements. Age requirements ranged from 62 to 75 years old. Tenure ranged from 15 to 30 years. Two clubs do not offer a senior membership level. A motion was made, discussed, tweaked and approved. It was then presented to the bi-laws committee and they also approved. If you have any questions or comments on the changes to the by-laws please contact me at 504 451 6579 or [rcj797@gmail.com](mailto:rcj797@gmail.com)  
Summer is here. Join us for sailing on Sundays!

## **FOOD AND BEVERAGE– PAUL CALECAS**

Alright guys, we have a few cool things happening this month. As you read in the Social article, we have some fun stuff planned for the 4th as well as the return of White Summer Nights. In addition to those events, I will be hosting a Beer Dinner on July 17th. The seating will be very limited, so I urge you to sign up as soon as possible. I've gotten some feedback from you guys in recent days regarding the weeknight food. It looks like we will be replacing the pulled pork on Thursdays. I'm exploring a few options, but if you guys have any ideas, I'd love to hear them. We've also added a few new items behind the bar to help quench your Summer thirst. Come on down and have a Brooklyn Summer Ale or maybe a delicious frozen Margarita. I'm sure me and the guys behind the bar can find something to wet your whistle.

Prost!
